A message from the Director

Happy Fall, Y'all!

Anne Arundel County Recreation and Parks is pleased to offer a diverse range of programs for this fall season. In this guide, residents and visitors of all ages will find both familiar favorites and exciting new activities, special events, and more!

This fall, join the Friends of Anne Arundel County Trails for an enjoyable Sunday concert in the park along the B&A Trail at Hatton Regester Green (pg 33). Explore one of our Regional Parks (pg 29-30) - including Quiet Waters, Downs Park, Beverly Triton, Mayo Beach, Fort Smallwood, Jug Bay, and Lake Waterford - to take in the vibrant fall colors and witness the seasonal transition. And join us around the campfire during our Campfire Chat Series (pg 36), where park rangers and local experts will facilitate engaging discussions on wildlife, conservation, history, and much more!

Don't forget to mark your calendars for National Take a Hike Day on Monday, November 17 (see page 31), when we will host several guided hikes throughout the county.

At Recreation and Parks, we provide outstanding opportunities to ENJOY life, EXPLORE nature, and RESTORE health and well-being, ensuring that Anne Arundel County remains THE BEST PLACE FOR ALL!

Classes and Performance Opportunities for Ages 4-18!

Broadway Kids (Ages 4-7)

Join us for an introductory Musical Theatre workshop designed for our youngest performers! This program will culminate in a 30-40 minute onstage production. Each week, we will focus on building confidence onstage using scripts and songs specifically chosen to help your little star shine their brightest. Please register for only one class, as all participants will perform together in December.

Homeschool (Ages 5-16) or Beginner/Novice (Ages 7-14)

Whether your student is new to theatre or already familiar with it, this class aims to enhance their skills. We will help them develop and refine their theatrical abilities, culminating in a 30-60 minute onstage performance that highlights their growth and talent.

Intermediate (Ages 10-18*)

Students at this level should have at least one to two years of experience singing and dancing onstage and in a formal rehearsal setting. We will continue to build on existing performance skills throughout the session, culminating in a 45-75 minute onstage performance.

**Students aged 8-9 may be admitted with an instructor's recommendation.*

Intermediate/Advanced (Ages 12-18*)

Students in this class should be well-versed in musical theatre techniques, have at least three years of experience, and exude confidence onstage. During twice-weekly rehearsals, students will have the opportunity to showcase their skills by producing a two-act musical. They will alternate between working with our director, music director, and choreographer to master more challenging harmonies, dances, and acting techniques.

**Students aged 10-11 may be admitted with an instructor's recommendation.*

Registration guarantees your student a part in the show, but auditions are still necessary to determine individual roles. All students must be fully registered at the time of auditions/first class date. Approximately one week before class begins, you will receive a digital audition packet to prepare. For all levels except Broadway Kids, students may not be called for the entire duration of each rehearsal. Each child is guaranteed at least an hour of instructional time on each meeting date. Registration includes a \$77 non-refundable production fee.
