C443400 Agricultural Preservation Prgm

Project Class:

General County

Description

Provides funding for the purchase of agricultural easements or fee simple interest in accordance with the County & State Agriculture, and Woodland Preservation Programs. Easements, in the form of development rights, are purchased from qualified property owners of agricultural and woodland properties. Funds may also be used to match or augment other state or federal agricultural preservation programs such as Rural Legacy. Additionally funds will also be used to purchase relevant computer hardware & software that is deemed necessary to the program. Funds are provided from county revenues as well as state agricultural land transfer tax receipts. Because the Maryland Department of Planning has certified the County's agricultural land preservation program, the county retains 75% of locally generated agricultural land transfer tax receipts, which are computed as a 5% state tax on the transfer of land being converted from agricultural to non-agricultural use.

Benefit

Agricultural and woodland preservation.
