A public meeting has been scheduled for Tuesday, September 16, 2025, to discuss studies for three roadways:

- Hammonds Lane, from I-895 to MD 2
- Olson Road, from Hammonds Lane to the limit of County maintenance
- Church Street, from MD 2 to the Baltimore City Line

The goal of these studies is to develop recommendations for traffic calming measures on Hammonds Lane and Church Street; pedestrian, bicycle, and parking improvements along Olson Road; and alternate access options for the industrial area at the southern end of Olson Road. We are seeking input from residents and stakeholders on potential recommendations for improvements.
