Important Questions	Answers	Why This Matters:
What is the overall deductible?	In-Network: \$100 individual/\$200 family	Generally, you must pay all the costs from providers up to the deductible amount before this plan begins to pay. If you have other family member(s) on the plan , each family member may need to meet their own individual deductible , OR all family members may combine to meet the overall family deductible before the plan begins to pay, depending upon plan coverage. Please refer to your contract for further details.
Are there services covered before you meet your deductible?	Yes, all In-Network preventive care services, as well as the following (non-hospital facilities only, when applicable): Primary care, Specialist, Retail health, Diagnostic testing, Outpatient surgery, Emergency room, Emergency medical transportation, Urgent care, Mental health outpatient services, Rehabilitation services and Hospice services	This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost-sharing and before you meet your deductible . See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/ .
Are there other deductibles for specific services?	There are no other specific deductibles.	You don't have to meet deductibles for specific services.
What is the out-of-pocket limit for this plan?	Medical: In-Network: \$1,100 individual/\$3,600 family.	The out-of-pocket limit is the most you could pay in a plan year for covered services. If you have other family member(s) on the plan , each family member may need to meet their own out-of-pocket limits , OR all family members may combine to meet the overall family out-of-pocket limit , depending upon plan coverage. Please refer to your contract for further details.
What is not included in the out-of-pocket limit?	Premiums, balance-billing charges, health care this plan doesn't cover, copayments for certain services, and penalties for failure to obtain pre-authorization for services.	Even though you pay these expenses, they don't count toward the out-of-pocket limit .

Will you pay less if you use a network provider?	Yes. See www.carefirst.com or call 855-258-6518 for a list of Network providers.	This plan uses a provider network . You will pay less if you use a provider in the plan's network . You will pay the most if you use an out-of-network provider , and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services.
Do you need a referral to see a specialist?	No.	You can see the specialist you choose without a referral .
