A public meeting has been scheduled from 6:00 p.m. to 7:00 p.m. on Wednesday, October 15, 2025 via Zoom to discuss plans for improving vehicle safety along a half-mile section of Pleasant Plains Road. This project involves clearing vegetation, minor grading and relocating an existing overhead utility line and poles to the north side of the road.

The work will take place on Pleasant Plains Road, including the intersections with Milvale, Hidden Point and Cherry roads. Construction is scheduled to begin in late October 2025 and expected to be completed by April 2026. Work hours will be from 7:00 a.m. to 5:00 p.m. Monday through Friday.

During construction, there will be single lane closures with flaggers present to ensure worker safety and manage traffic flow.
