Dear Ms Colby,

I am writing to support the variance request number 2025-0151-V of Julie and Dennis Murphy residing at 2013 Homewood Road, Annapolis, MD 21409. They are our immediate neighbors to our left looking at the front of our houses. Our Address is 2011 Homewood Road, Annapolis, MD 21409.

Julie and Dennis explained that they propose to add 2 balconies on the water facing side of the house where the steel beams currently are.

We support and have no objections to granting the variance request.

Thank you,

Maria & Matthew Scott

Hello,

I fully support the Murphy's in adding two balconies to the back of their house that faces that water so they can enjoy their waterfront property / outdoor living space even more.

The balconies will not block any views to any neighbors.

Murphy's address - 2013 Homewood Road, Annapolis, MD 21409

Variance Case Number - 2025-0151-V

I, Jennifer Young, am their next door neighbor to their left. My address - 2021 Homewood Rd, Annapolis, MD 21409.

I am in support of approving this Variance.

Regards - Jennifer Young
