Aerial photograph appointments for multiple years of photos can be scheduled for Tuesdays and Thursdays and should be made at least one week in advance. Detailed location information (such as tax map, block and parcel numbers, address, or tax account number) and a site description is required when making appointments. Appointees are asked to make every effort to be on time. We do not want to have photographs out for an extended period of time. No-shows must make another appointment. Copies may be certified on request.
