

**ANNE ARUNDEL COUNTY, MARYLAND
OFFICE OF THE BUDGET**

RESOLUTION NO: 32-25

INTRO. DATE: Oct. 20, 2025

FISCAL NOTE

**RESOLUTION: URGING THE ESTABLISHMENT OF AN ADEQUATE PUBLIC
FACILITIES STUDY GROUP TO ADDRESS THE NEED FOR AN
ELECTRICAL GRID IMPACT REVIEW FOR NEW DEVELOPMENT**

SUMMARY OF LEGISLATION

This resolution urges the County Executive to establish an Adequate Public Facilities Study Group to address the need for an electrical grid impact review for proposed development, and to submit a report and recommendations by June 30, 2025.

FISCAL IMPACT

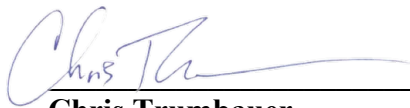

Operating Budget – Personal Services: The resolution has no direct effect, since it expresses a request rather than imposing a requirement. The Administration reports that the requested study can likely be accomplished with existing County staff.

Operating Budget – Other Operating Costs: The resolution has no direct effect, since it expresses a request rather than imposing a requirement. The cost of the Study Group's operations and related research activities would be minimal and can likely be absorbed in existing agency budgets. Depending on the scope of the study, there could be expenses for meeting costs, consulting assistance, or other items. Those costs cannot be estimated until the full scope and operations of the study are determined.

Capital Budget: No effect.

Revenues: No effect.

Indirect and future fiscal effects: If the study resulted in changes to the County's Adequate Public Facility requirements and practices, there could be effects on administrative costs and revenues.
