2025-11-02 12:08:27	Marilyn	Cooper	Cantonsville	MD	21228	Yes		Water access is important for everyone who wants to have access. People who paddle or SUP value the water, spend time cleaning up litter that non paddling people dump. Parking and ADA access should be available at any public water access. People will not have to park in the neighborhood which will happen if not enough parking.

2025-11-02 12:24:25	Ralph	Heimlich	Ellicott City	MD	21042	Yes		The county should BUY the Discovery Village property and protect the investment of \$1.4 million in the only boat ramp in South County. In addition, the county has a duty to either protect or refund \$500,000 in DNR water access funds granted to them for the project. Losing this facility to a private sale after all the work establishing it would be reprehensible and s false economy.

2025-11-03 10:06:01	Jigna	Patel	Glen Burnie	MD	21060	Yes		The developer of Nixon Property has been clear that they do not plan to follow ACDS and county code requirement 12c and 12d of the workforce housing development agreement. As evidenced by the initial and revised sketch plans submitted to the county. All the the workforce housing units are clustered together on the least desirable lots and not similar in size to the market rate homes. However, this county counties to green light this project. Why is there no developer accountability? 12.All Workforce Housing Units shall include the following design features: a)Duplex, semi-detached, single family, detached, and townhouse Workforce Housing Units, shall have two or more bedrooms. b)The ratio of one-bedroom Workforce Housing Units in a multi-family project may not exceed the ratio of market rate one-bedroom units to the total number of market rate units in the Project. c)To the extent feasible, Workforce Housing Units shall be evenly distributed throughout the Project. d)Workforce Housing Units shall be architecturally similar in size as the market rate units in the Project.	https://www.aacounty.org/system/files/webform/cc_general_testimony/74961/screenshot_20251103_061039_drive.jpg
