A public meeting has been scheduled from 6:00 p.m. to 7:00 p.m. on Tuesday, December 9, 2025 at Severn Elementary School to discuss plans to construct a 970-foot-long, 10-foot-wide shared-use path along Grover Road, from Daniels Purchase Way to Eastside Drive, encompassing the Oakdale Circle community and improving pedestrian access to Severn Run High School.

The work, which includes grading and paving as well as construction of a retaining wall and storm drains, will take place primarily within the existing road shoulder and adjacent green space. At times, temporary lane closures may be required to accommodate construction activities, during which flaggers will direct motorists through the area.

The work is tentatively slated to start in spring 2027 and be completed in fall 2027.
