Classes and Performance Opportunities for Ages 4-18!

Broadway Kids (Ages 4-7)

Join us for an introductory Musical Theatre workshop designed for our youngest performers! This program will culminate in a 30-40 minute onstage production. Each week, we will focus on building confidence onstage using scripts and songs specifically chosen to help your little star shine their brightest. Please register for only one class, as all participants will perform together in May.

Homeschool (Ages 5-16) or Beginner/Novice (Ages 7-14)

Whether your student is new to theatre or already familiar with it, this class aims to enhance their skills. We will help them develop and refine their theatrical abilities, culminating in a 30-60 minute onstage performance that highlights their growth and talent.

Intermediate (Ages 10-18*)

Students at this level should have at least one to two years of experience singing and dancing onstage and in a formal rehearsal setting. We will continue to build on existing performance skills throughout the session, culminating in a 45-75 minute onstage performance.

** Students aged 8-9 may be admitted with an instructor's recommendation.*

Intermediate/Advanced (Ages 12-18*)

Students in this class should be well-versed in musical theatre techniques, have at least three years of experience, and exude confidence onstage. During twice-weekly rehearsals, students will have the opportunity to showcase their skills by producing a two-act musical. They will alternate between working with our director, music director, and choreographer to master more challenging harmonies, dances, and acting techniques.

** Students aged 10-11 may be admitted with an instructor's recommendation.*

Registration guarantees your student a part in the show, but auditions are still necessary to determine individual roles. All students must be fully registered at the time of auditions/first class date. Approximately one week before class begins, you will receive a digital audition packet to prepare. For all levels except Broadway Kids, students may not be called for the entire duration of each rehearsal. Each child is guaranteed at least an hour of instructional time on each meeting date. Registration includes a \$77 non-refundable production fee.
