Summary

This legislation, introduced at the request of the Administration on behalf of Arundel Community Development Services, Inc. (ACDS), approves an agreement that provides Little Patuxent Family, an affordable rental housing project for families, an exemption from County real property taxes in order to address the need for affordable housing in Anne Arundel County, and requires a payment in lieu of the taxes (“PILOT”). Little Patuxent Family is a proposed thirty-three (33) unit family apartment community located at 1072 Maryland Route 3 South in Gambrill, adjacent to Waugh Chapel Town Centre and Little Patuxent Senior, a recently completed 78 unit senior apartment community. The development will consist of one four-story elevator building with surface and covered podium-style parking spaces and common area amenities. The property will be developed by Green Street Housing, LLC, in conjunction with Good Works, LP, and HRH Holdings, LLC. The community will offer high-quality, energy efficient housing for individuals and families with incomes ranging from 30 to 80 percent of area median income to live and work in Anne Arundel County. Financing for the construction of the project will be provided by 4% low-income housing tax credits (LIHTC), tax-exempt bonds, state loan funds, a sponsor loan, and a loan from ACDS. The owner will be responsible for the payment in lieu of real property tax in exchange for providing housing for low-income households over a forty (40) year period. Under the proposed PILOT agreement, County revenue associated with the property is set at \$10,234 for fiscal year 2027
