Update regarding 2026 Election Judge applications.

Processing of election judge applications was temporarily paused while our staff focused on conducting the 2025 City of Annapolis Municipal Primary and General Elections.

Once the 2025 election is certified, we will begin processing the 2026 applications. You can expect to receive acknowledgment of receipt of your application, by the end of December.

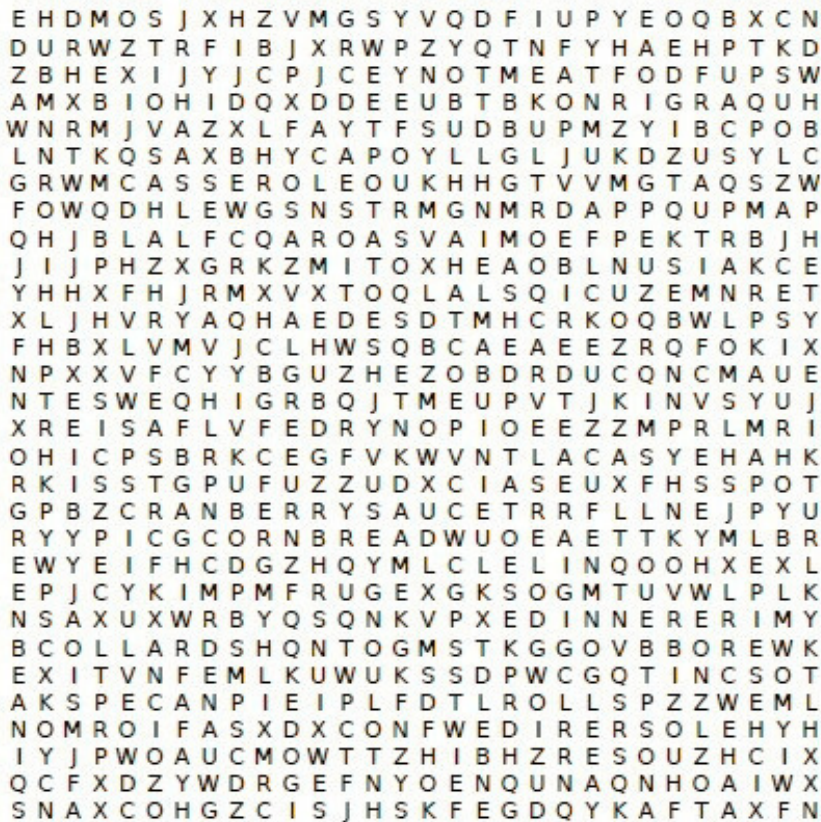

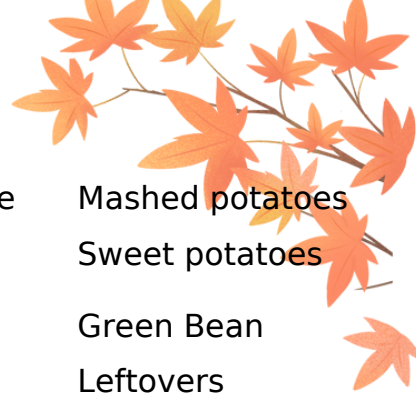

Thank you for your patience.

IMPORTANT NOTICE ABOUT APPLICATIONS

To ensure your application is processed as quickly as possible, please submit it only once per election cycle. When we receive multiple applications from the same person, it can slow down the progress from initial review to a final assignment.
