ANNE ARUNDEL COUNTY BOARD OF ELECTIONS

The Annapolis City Municipal Election

The Anne Arundel County Board of Elections would like to thank all the residents of the City of Annapolis and County residents who signed up to be poll workers for the City of Annapolis Municipal Election taking place this Fall. We are pleased to announce that all assignments for the **Primary** and General Elections have been filled.

Did you have a Question?

We have received many calls from election judges wondering why they are not working the Annapolis Election.

THE ANSWER:

The number of poll workers needed in the Annapolis Election is much smaller than the State/ Federal elections, but the 2026 elections are right around the corner!

The AA Co Board of Elections is currently accepting Election Judge applications for anyone interested in working the 2026 Gubernatorial Elections. Use this shortcut to the link below...
