**Bill 98-25: Public  
Works – Traffic –  
Zoning – Signs**

**Summary of Legislation**

This bill repeals and adds new language to Title 3 of Article 18 (Planning and Zoning) and amends Article 13 (Public Works) to comprehensively update the County's regulations regarding permanent and temporary signs. The legislation aims to modernize the County Code to address new sign types, accommodate zoning changes, and ensure constitutionality following Supreme Court rulings that require content-neutral regulation of signage. Key provisions include revised definitions for different types of signs, new methods for measuring sign area, updated allowances for sign size and location, and specific regulations for temporary signs.

**Review of Fiscal Impact**

We concur with the Administration's fiscal note that this bill has no anticipated effect on the County's operating budget.

*This legislation was also included in the Auditor's Review of Legislation for the January 20, 2026 Council Meeting.*
