A public meeting has been scheduled from 6:00 p.m. to 7:00 p.m. on March 5, 2026 via Zoom to discuss plans to build a new Cape St. Claire Fire Station on the site of the existing station at 1411 Cape St. Claire Road.

The current station will be demolished once the new station is completed. Construction is tentatively scheduled to start later in March and take about 21 months to complete. The project will not impact work at the current station. Construction hours will be 7:00 a.m. to 5:00 p.m. Monday through Friday. Among the amenities at the new station will be four double apparatus bays.

No lane closures are expected, though the project will generate construction traffic. There'll no impact to water or wastewater services.

Anyone needing accommodations must contact DPW Customer Relations at 410-222-7582 or by email at pwcust00@aacounty.org at least seven days in advance of the event. TTY users please call via Maryland Relay 7-1-1. All materials are available in alternative formats upon request.
