A public meeting has been scheduled from 6:00 p.m. to 7:00 p.m. on February 19, 2026 via Zoom to discuss the upcoming construction of the Odenton Library Community Park. The park will feature wetland viewing decks, a pavilion, playground and pedestrian trails in the woods, as well as bocce and horseshoe courts.

During construction, which is tentatively scheduled to begin in March and is anticipated to be completed in nine months, the library's auxiliary parking lots will be used to store equipment and materials, while the main parking lot will remain open. Once the park is completed, the auxiliary parking spots will be repaved and reopened. Construction hours will be 7:00 a.m. to 5:00 p.m. Monday through Friday.

DPW does not anticipate that the work will impact library patrons, other than traffic caused by construction vehicles entering Winmeyer Avenue and traveling through the library's main parking lot to get the construction site.

Anyone needing accommodations must contact DPW Customer Relations at 410-222-7582 or by email at pwcust00@aacounty.org at least seven days in advance of the event. TTY users please call via Maryland Relay 7-1-1. All materials are available in alternative formats upon request.
