A public meeting has been scheduled for February 18, 2026 to discuss plans to construct a 10-foot-wide, asphalt, shared-use path on Solley Road from Coulbourn Corner to Gable Signs at 7440 Fort Smallwood Road. The project is aimed at improving pedestrian access and safety, including children heading to Solley Elementary School.

We are currently 30% into the design phase for the project. Construction is tentatively scheduled to start in December 2027 and take about a year. Work hours would be 7:00 a.m. to 5:00 p.m. weekdays. Lane closures would be from 9:00 a.m. to 2:00 p.m., and a flagging operation will guide motorists through the area. The work will include right-of-way acquisition, grading and tree removal, although the details have yet to be finalized.
