## PUBLIC MEETING ANNOUNCEMENT

**WHO:** Anne Arundel County Department of Public Works (DPW)

**WHAT:** **Jumpers Hole Road Improvements – MD 2 to MD 177**  
**Project #H586901**

**WHEN:** **Thursday, March 26, 2026 - 6:00 p.m. - 7:00 p.m.**

**WHERE:** **Severna Park Library**  
**45 West McKinsey Road**  
**Severna Park, MD 21146**

A public meeting has been scheduled from 6:00 p.m. to 7:00 p.m. on Thursday, March 26, 2026 at the Severna Park Library to discuss plans to improve traffic flow by adding a full traffic signal and modifying an existing signal on Jumpers Hole Road between Routes 2 and 177. The project also involves adding a shared-use path on that section of the road.

The traffic signal would be added at the intersection of Jumpers Hole Road and Evening Star Drive. The existing signal at the Walmart/AMF Southdale Lanes entrance would be modified to add pedestrian signals and push buttons.

Construction of the project is tentatively expected to start in early 2028 and last 18 months, with work hours of 8:00 a.m. to 5:00 p.m. Monday through Friday. No road or lane closures are anticipated during construction, and two-way traffic will be maintained at all times on Jumpers Hole Road. There will be lane shifts, however, and temporary access impacts for some businesses and residents along Jumpers Hole Road for minor reconstruction of driveways and entrances to ensure pedestrian crossings are ADA-compliant.

The project also involves the relocation of a telephone pole and installation of new underground utilities, but that work will take place during the fall of 2027 before construction of the shared-use path begins. Service interruptions, if any, are expected to be very brief.

If inclement weather necessitates a meeting cancellation, DPW will put the information on its website, as well as on social media. When a new meeting date is selected, you will receive a new Public Meeting Announcement.
