A public meeting has been scheduled from 6:00 p.m. to 7:00 p.m. on March 12, 2026 via Zoom to discuss the upcoming construction of Millersville Park on a 33-acre parcel on Millersville Road. The new ADA-compliant park will include: parking, stormwater management, pickleball courts, tennis courts, multipurpose fields, a dog park, a playground, walking trails, pavilions, bleachers, and open space for other recreational activities.

Construction is tentatively slated to begin in early spring 2026 and is anticipated to be completed in one year. There will be lane closures on Millersville Road during the work, and flaggers will direct motorists through the area. There'll also be an increase in construction traffic and noise. Standard work hours will be 7:00 a.m. to 4:00 p.m. Monday through Friday.

The project will not impact water or wastewater services.
