2026-04-04 20:38:19	Paul	McHugh	Odenton	Maryland	21113	Yes		The Developer- Koch- has reached his limit of 2000+ homes to be developed in Two Rivers. And, under the 2012-2018 Schuh administration, he broke his promise to build only a 55+ community and included All Age parcels. Also in 2016, he promised not to build on Parcel O and Parcel N. But in 2025-26 he proposes more than 300 - 500 homes on Parcels N and O on which he had promised NEVER to build on but to leave as open space or as communal recreation spaces. We are in an already tightly packed area back here with inadequate river crossings, antiquated roadways, few activity areas for the many children now living and growing up in this area and threatened with a rubble landfill that seems to keep on endangering our lives and our standard of living. Please oppose any housing development on Parcel O and Parcel N for the good of this community and the good of Anne Arundel County. Thank you for your support.

2026-04-05 15:14:34	Kenneth	Rabenstein	Severna park	Md	21146	Yes		I am writing to support Mr. Volke's bill no. 26 to be read during the Apr 6 meeting. This bill provides needed clarification to to the zoning laws for cannabis dispensaries.	
2026-04-05 15:26:49	Kenneth	Rabenstein	Severna park	Md	21146	Yes		As the council considers the bill being introduced by Mr. Volke on Apr 6 to clarify zoning requirements for cannabis dispensaries, let me restate my objection to a license being requested for 91 Ritchie Highway. This location is extremely close to three daycares/pre-k schools and abuts residential properties. Further, it has been suggested they want to increase their parking on land that is against a creek flowing into the Bay watershed. Any request for a cannabis dispensary license for 91 Ritchie Highway should be denied for these reasons.
