A public meeting has been scheduled from 6:00 p.m. to 7:00 p.m. on Thursday, May 14, 2026 at Corkran Middle School to discuss a new trail spur that extends from the BWI Trail to the school.

The new trail would start at the intersection of Stewart Avenue and Old Stage Road, extend down an existing right-of-way to the intersection of Elizabeth Lane and Thelma Avenue, and then extend down Thelma Avenue to the southern parking area at Corkran Middle School.

Construction of the trail is tentatively slated to begin in July 2027 and take about a year to complete. Work hours would be from 7:30 a.m. to 3:30 p.m. weekdays. The project could impact traffic on nearby residential streets, and barriers and flaggers will be used as needed.
