CHILD CARE

2026-2027 School Year Child Care

Our licensed child care programs are designed to address the social & recreational needs of the age groups that we care for at each location. In a typical school year, activities in elementary school programs include: PM snack, Homework/Literacy Time, Outdoor Play, Arts & Crafts, Organized Games, Activity Stations (a rotation of “free play” stations that give your child the opportunity to explore different materials and learn through play with their peers, such as: Engineering, Science & Math, Housekeeping, Music & Movement, etc.), Community Service Projects, and Special Events.

Location Types

Child Enrichment Center (CEC) program – Children entering Grades K-5th (must be 5yo by 1st day of school)

School-Age Child Enrichment Center (CEC) programs – Children entering Grades K-5th (must be 5yo by 1st day of school)

School Age Child Care (SACC) programs – Children entering Grades K-5th (must be 5yo by 1st day of school)

South County Recreation Center (Pre-K) program – Children must be 3yo, 4yo or 5yo by 1st day of school

Hours of Operation

In CEC & SACC programs, the AM program will operate from 6:30am until the start of the school day, and the PM program will operate from the end of the school day until 6:00pm every day that school buildings are open for students.

Please see our South County Rec Pre-K page for multiple care options for Pre-K children 3-5 years old: www.aacounty.org/childcare.

Payment & Refund Policy

A \$25 non-refundable registration fee is due per session, per child at the time of registration. You must pay for the child care program on a monthly basis ahead of service. **Your first payment for the new school year will NOT be due until August 10, 2026.** If your needs should change during the school year and your family no longer needs care, you must submit a Withdrawal Form in your child’s online account or email us at sacc@aacounty.org. A \$25 fee will be charged for all refunds due to withdrawal. See our website and Parent’s Manual for more information regarding our Refund policy.

Registration

There is a minimum & a maximum registration for each center, and registration is on a first-come, first-served basis. If additional space/staff can be added, then additional children will be added from the wait list.

Registration for wait list spaces for the coming school year will open online to the public in Spring 2026. Please check our website for more details at www.aacounty.org/childcare. We look forward to serving your family!

CHILD CARE DIVISION NOW HIRING!

We are seeking enthusiastic individuals interested in becoming a Child Care Professional. Child Care Aides, Assistants, Teachers, and Directors are needed for before and after school care throughout Anne Arundel County.

Part-time hours before and after school. Monday through Friday every day school is in session (shifts range from 2-4 hours long). Must be 16 years or older, and willing to actively supervise children to apply. Starting rate of pay \$15.00/hour. Competitive pay and benefits!

For further information call 410-222-7856, ext.0, or visit www.aacounty.org/departments/recreation-parks/jobs.

YOUTH SPORTS

Anne Arundel County Recreation and Parks' youth sport programs are a mutual endeavor between the Department and Athletic Associations throughout Anne Arundel County. Children must be at least eight (8) years old to participate in the county's organized sports leagues. The principles of participation, diversity, safety and fun guide the Department's program.

There are approximately over 100 Recreation Councils and Athletic Associations throughout Anne Arundel County, which organize teams to enter participants in the Department's organized sports leagues. Contact your community's Recreation Council or Athletic Association to register your player for youth league sports.

STEM

A RISE-STEM LabTech TitansCamp – Build Your Own MiniComputer

Tech-curious students roll up their sleeves and dive into the world of hardware. They assemble critical computer components, explore how CPUs, RAM, storage, and power systems work together, install software, and learn to troubleshoot like real technicians. This immersive hardware engineering camp builds confidence and foundational tech literacy that lasts a lifetime. Perfect for students who enjoy taking things apart, rebuilding, or exploring the ?why? behind technology. Ages 12-14! Program Highlights: ? Hands-on computer assembly? OS setup & configuration? Hardware troubleshooting? Understanding system components? Intro to cybersecurity basics No Camp July 3, 2026 for Independence Day!

A RISE-STEM Lab: AI TrlblazersCamp – PrptEngineering+AR/ VRWorld

This future-facing camp immerses middle schoolers in the worlds of artificial intelligence, augmented reality, and virtual reality. Students learn how AI tools interpret language, experiment with real prompt engineering techniques, and build simple AI-powered interactions. Then they design AR/VR scenes, 3D worlds, and interactive experiences using accessible creator platforms. It's a creative, tech-forward playground for curious thinkers. Perfect for students interested in AI, digital storytelling, virtual worlds, and cutting-edge tech. Ages 12-14!
Program Highlights:
• Build and test AI prompts?
• Create a mini chatbot?
• Explore AR/VR world-building?
• Intro to 3D design?
• Creative problem-solving challenges!

A RISE-STEM Lab:Code Commanders Camp: Python Boot Camp

Middle school coders take command of one of the world's most powerful and widely used programming languages—Python. This fast-paced, beginner-friendly boot camp turns complex concepts into exciting, hands-on challenges. Students learn how to write clean code, build mini-apps, generate animations, tackle logic puzzles, and debug like real developers. By the end of the week, they'll have created several small Python projects, strengthened their problem-solving skills, and gained the confidence to continue coding long after camp ends. No prior experience required—just curiosity and a willingness to learn. Perfect for tech-curious students who want to learn coding, build real projects, and boost their future STEM skills. Ages 12-14!

Program Highlights:

- Learn Python fundamentals (variables, loops, functions, conditionals)
- Build interactive mini-projects
- Create simple games and animations
- Practice real debugging strategies
- Explore how Python powers AI, robotics, and apps
- Beginner-friendly, but challenging enough for returning coders

Fitness/Sports

Men's 30 and Over Pick-Up Basketball

Supervised adult recreational games, organized on a pick-up basis. Teams form weekly as players arrive. There are no officials and no strict rules. Violations are called on the honor basis.

Get into Golf-Adults

Topics included set-up, short game, and long game. All participants must wear a collared shirt, no T-shirts or tank tops. Loaner clubs are available.

Adult Tennis Clinics

Beginner and intermediate level training for newcomers, returners, and late bloomers. Fee covers instruction and cost of balls. Coordinator will match players by ability. Players should bring their own racquet and water.

Pickleball

Beginner Pickleball

Beginners will learn to play America's fastest growing sport! The participants will learn the basics of the game, how to serve the ball, and the importance of footwork and anticipation. Participants will learn how to score points and call the score before service. Lots of fun and exercise too! Bring your own paddle.

Beginner/Intermediate Pickleball

Intermediates will learn strategy and become more consistent players. Practice drills for better footwork and placing proper placement shots against your opponents. Learn more about using "The Kitchen" to set up winning points. Intermediates will incorporate strategic doubles game play. This program is for

players that have the basics of the game and want to expand upon it. It is not an advanced level class.

Pickleball Intermediate/Advanced Ladder League

A group of players of similar skill level who will compete against each other in matches.

Adult Pickleball Punch Pass

Pickleball is a fun sport that combines many elements of tennis, badminton and ping-pong. This paddle sport is ideal for all ages and skill levels. The rules are simple and the game is easy for beginners to learn, but can develop into a quick, fast-paced, competitive game for experienced players. \$35 for 10 drop in indoor games and unlimited outdoor (excluding special permitted times) for a year from date of purchase. Call SCRC for availability at 410-222-1515.

Tee It Up: Adults

Compass Pointe Golf Course

Tee It Up: Learn and Play is the next step in our adult instruction program, offering in-depth full-swing instruction and practical on-course experience. Designed for students who have completed the Operation 36 program, this class helps build confidence and

comfort playing from longer yardages.

Sessions May 14- Sep 24

Thursdays 6:00 pm - 7:30 pm

Tee It Up: Breaking 100

Compass Pointe Golf Course

Tee It Up: Breaking 100 is aimed at intermediate players who have received prior technical instruction. This class focuses on establishing swing fundamentals and on-course game management to help golfers break 100 consistently. Over 6 hours, students will have their swings analyzed using CoachNow technology for improved communication with their coach. The program also emphasizes short-game techniques and course management skills, equipping students with the tools to consistently shoot in the 90s.

Friday: On course play!

2026 Clinics run from the week of June 23rd through the week of August 13th.

Junior Fundamental Clinics

The Preserve at Eisenhower

These clinics will focus on a solid foundation for which athletes to build upon. These clinics are great for juniors who have played little to no golf in order to get an individualized start to their golf career, but are also good for more intermediate and advanced players to maintain a strong fundamental base. The clinic will begin with brief demonstrations and checkpoints, then the group will split up where more individual questions and concerns can

be addressed. With two PGA affiliated instructors, each student will get ample time for individualized help.

There will be 5 Clinics dating 5/19 (5:00pm), 6/23 (5:30pm), 7/28 (5:30pm), 9/1 (5:00pm), and 10/6 (5:00pm).

Women's On Course Play Day's

The Preserve at Eisenhower

These days will begin with a warm up on the range, and then we will head out onto the golf course to see how our work on the range has prepared us. Being out on the course gives us the opportunity to teach ideas that are not possible on the range, such as uneven lies techniques to chip from different areas, and course management.

There will be 5 Clinics dating 5/28, 6/28, 7/23, 8/27, and 10/8 all starting at 5:30pm.

Competitive Golf Preparation Clinics

The Preserve at Eisenhower

This clinic is designed for those golfers looking to play more and succeed in more competitive events. This clinic includes both range time and on course time. Great for potential high school and collegiate golfers. We will go over important ideas and strategies that are useful in competitive events, as well as help with your golf swing in order to ensure it holds up in moments of high pressure. Course time will focus on course management, as well as getting out of difficult situations.

There will be 9 Clinics dating 5/12 (5:00pm), 5/26 (5:30pm), 6/16 (5:30pm), 6/30 (5:30pm), 7/21 (5:30pm), 8/4 (5:30pm), 8/25 (5:30pm), 9/8 (5:00pm), and 9/29(5:00pm).

Family Night

The Preserve at Eisenhower

Bring the whole family out to join us for range time, instruction, and games to keep the whole family involved and having fun!

There will be 4 Clinics dating 6/2 (5:30pm), 7/7 (5:30pm), 8/11 (5:30pm), and 9/15 (5:00pm).

Couples Night

The Preserve at Eisenhower

Join us on the range for a couples night on the driving range with drinks and instruction. You and your partner will get personalized instruction while learning new skills together.

There will be 5 Clinics dating 5/5 (5:00pm), 6/9 (5:30pm), 7/14 (5:30pm), 8/18 (5:30pm), and 9/22 (5:00pm).

Sip and Swing Series

The Preserve at Eisenhower

Join us on the range for a brand new series. These nights will offer personalized instruction with themed drinks.

There will be 5 Clinics dating 5/21 (5:30pm), 6/18 (5:30pm), 7/16 (5:30pm), 8/13 (5:30pm), and 9/3 (5:00pm).

Summer Dance Camps

Spotlight Sessions: Jazz and Lyrical Dance Camp

Step into the spotlight at our one-week Jazz & Lyrical Summer Dance Camp! This fun-filled camp blends high-energy jazz, expressive lyrical movement, and Broadway-style choreography. Dancers will build technique, musicality, confidence, and performance skills in a supportive and creative environment. In addition to dancing, dancers will bring their dances to life by creating their own stage backdrop and costume accessories as well as participate in other camp activities. This hands-on creativity allows dancers to express their individual style and feel proud of every part of their performance — from movement to stage design. Students should wear a leotard and tights or jazz pants. Jazz shoes and/or ballet shoes are recommended. Participants must provide their own snack, lunch and water.

Request Line Dance Camp

This unique one-week dance camp puts the music in the hands of the dancers! Before camp begins, the instructor will reach out via email where students will get to request their favorite songs. The instructor will incorporate their requests into the dance combinations and activities the students will do in

camp for the week. Combinations may include jazz, lyrical or modern dance styles to match their picks. Throughout the week, dancers will explore musicality, performance quality, and expressive movement while learning original choreography built just for them. This camp encourages creativity, teamwork, and confidence as students see their music choices come to life through dance. Perfect for all experience levels, this high-energy and expressive camp is all about connection, creativity, and having fun through movement — all inspired by the students' own playlists! Students should wear a leotard and tights or jazz pants. Jazz shoes and/or ballet shoes are recommended. Participants must provide their own snack, lunch and water.

Now Trending Dance Camp

Get your groove on with us for a week of dancing to fun trending songs and learning some trending dances as well as other camp activities. Participants should wear leotards and tights and must provide their own snack, lunch, and water. Ballet, jazz shoes, or hip hop sneakers are recommended.

Hip Hop Dance Camp

This fun camp will include hip hop technique as well as other camp activities. Participants should wear comfortable clothing to move in and must provide their own snack, lunch and water. Jazz shoes/hip hop sneakers are highly recommended.

Pop Star/Jazz Dance Camp

Get ready to dance, shine, and perform like a true pop star! During this camp, dancers will learn fun, age-appropriate choreography inspired by today's pop music and classic jazz technique as well as other camp activities. Participants should wear comfortable clothing to move in and must provide their own snack, lunch and water. Jazz shoes/hip hop sneakers are highly recommended.

Summer Musical Theatre Camps

48-Hour Broadway Challenge

Now in its 4th year! We're challenging our directors and performers to achieve the impossible once more: a show from start to finish with a live audience at 6:30 pm!

This is an Intermediate/Advanced Level Camp.

Students must have at least three years of musical theatre experience and be comfortable with complex harmonies, choreography, and memorization.

The One-Week Musical Project

Now entering its 9th year! Join us as we take campers from audition to performance in just five days! It's a whirlwind week, and we know you'll love it! A 30–60-minute live performance will be held at 2:00 pm on the final day of camp.

Beginner & Novice – No Experience Needed

Intermediate – 2+ Years (1-3 Full-Length Productions) *Broadway KIDS is not typically enough experience for this level.*

Advanced – 3+ Years (3 or more Full-Length Productions)

Broadway Bootcamp

A half-day camp for our youngest performers! Students will learn all about the basics of musical theatre through theatre games, crafts, singing and dancing! A relaxed performance will be held the last day of camp. Please choose only one session. No Experience Needed.

6/6 Saturday **The Archaeology of Jug Bay: A Hike through History**

10:00 am - 1:00 pm
Jug Bay Wetlands Sanctuary

Archaeology is the scientific study of past human life and culture by the recovery and examination of remaining material evidence. Join archaeologist Drew Webster, from the Anne Arundel County's Cultural Resources Section, on a hike from the Jug Bay Visitor's Center to the Jug Bay River Farm. Along the hike (approximately 2.5-3 miles) you will learn about the many archaeological findings and research sites ranging in occupations from 13,000 years ago to the historic period. Drew will share how these archaeological sites inform us about past ways of life for people occupying the landscape of Jug Bay. The hike will include an artifact show-and-tell. Ages: 12 years old and up. Under 18 must be accompanied by an adult. Fee: \$10 per person, entrance fee included. No refunds for participant cancellations. Registration required at <https://apm.activecommunities.com/aarecparks/Home> Activity Net #44468. For questions call 410-222-8006 or email jugbay@aacounty.org.

6/13 Saturday **Critter Clue Quest: Feathered Findings**

10:00 - 11:30 am
Jug Bay Wetlands Sanctuary

Young sleuths take to the skies, or at

least to the treetops, in this bird-themed detective adventure! In Feathered Findings, kids investigate mysterious feather piles, unusual calls, owl pellets, and other clues left behind by Jug Bay's feathered residents. Through hands-on identification, observation games, and listening challenges, junior ornithologists will discover how to tell which birds have been visiting an area without ever spotting them. From tiny songbirds to secretive owls, evidence of birds is all around us if you know how to look and listen. Fee \$5 per person. No refunds for participant cancellation or no shows. Open to all families. Under 18 must be accompanied by an adult. Registration is required at <https://apm.activecommunities.com/aarecparks/Home> Activity Net #44469. For questions, call 410-222-8006 or email jugbay@aacounty.org.

6/13 Saturday **Historic Hancock's Resolution History Walk**

9:00 - 11:00 am
Hancocks Resolution Park

Join Rangers at Hancock's Resolution park to explore the historic property. Take a walk around the farm and surrounding woods as you learn about the History of the Hancocks Family, property, and what life was like on a farm during the 1800s. Wear comfortable walking shoes, and dress for the weather. To register, email rpbige24@aacounty.org.

6/17 Wednesday **Homeschool Hikers (6 - 9) - Healthy Habitats**

10:00 am - 12:00 pm
Jug Bay Wetlands Sanctuary

Your homeschooler is invited to join us as we explore various topics related to the natural spaces of Jug Bay. We delve into nature concepts, spend time outdoors, and have fun learning. Our spring theme is Healthy Habitats. June's class focuses on Healthy Home Habitats. This is a drop-off program. Dress for the weather. Wear comfortable closed-toe shoes. Ages 6 to 9.
