

# CYBER PREPAREDNESS

# Cybersecurity and Infrastructure Security Agency (CISA)

As America's Cyber Defense Agency and the National Coordinator for Critical Infrastructure Security and Resilience, CISA leads the national effort to understand, manage, and reduce risk to the cyber and physical infrastructure that Americans rely on every hour of every day.

## Welcome to the Internet Crime Complaint Center

The Internet Crime Complaint Center (IC3) is the central hub for reporting cyber-enabled crime. It is run by the FBI, the lead federal agency for investigating crime.

For more information about the IC3 and its mission, please see the [About Us](#) page.

### File a Complaint with Us

**!** If you or someone else is in immediate danger, please call 911 or your local police.

The IC3 focuses on collecting cyber-enabled crime. Crimes against children should be filed with the [National Center for Missing and Exploited Children](#). Other types of crimes, such as threats of terrorism, should be reported at [tips.fbi.gov](https://tips.fbi.gov).
