2026-2027 School Year Fees - Before-and/or After Care (Monthly)							
For more info & to register, go to https://www.aacounty.org/departments/recreation-parks/child-care/index.html .							
The fees for our school year programs below are established on a yearly basis and are determined by program costs. The annual expense is then divided into ten equal payments. Increasing costs through a school year may necessitate a mid-year increase to our monthly fees and/or the addition of fees to offset costs. There is no reduction in fees for months with a relatively few number of school days, just as there is no increase in fees for months with a greater number of days. All school year programs (regardless of location) follow the Anne Arundel County Board of Education school calendar & emergency closings schedule. If a family withdraws at any point during the school year, they lose their space/priority for subsequent school years as well.							
This results in an annual expense (if your child attends AM & PM SACC for the entire school year) of \$4,950.00.
