Should County and Lodge be unable to agree as to the inclusion or exclusion of any such re-titled or additional classification(s), the determination of such inclusion or exclusion shall be resolved in accord with the procedure set forth in §6-4-107(e) of the County Code and subject to the provisions of §6-4-107(d) of the County Code.

Subject to Article 6, Title 4, existing classifications may be incorporated into the unit at any time during this agreement upon mutual consent between the County and Lodge.

Article 6: Grievance Procedure

THIS ARTICLE APPLIES TO ALL BARGAINING UNIT MEMBERS

Section 6.1 – Definitions of Grievance

- a. A “grievance” is a difference or dispute between an employee and County regarding the meaning, interpretation or application of the terms of this Agreement, County Charter, County Code or other applicable law regarding or affecting employment, except that any matter subject to the procedures of the present Public Safety, § 3-213 of the Public Safety Article of the Annotated Code of Maryland, or as it may hereafter be amended, shall not be construed as a grievance under this Agreement.
- b. For the purposes of determining time-limits, a “work day” within the meaning of this Agreement shall be defined as Monday through Friday excluding weekends and holidays, regardless of an employee’s individual work schedule.

Section 6.2 – Grievance Procedure

Recognizing that grievances should be dealt with as expeditiously as possible, grievances shall be processed as follows:

Step I

Written Grievance to Police Chief

A grievance shall be filed in writing with the Police Chief, provided that such written grievance is received by the Police Chief (or his/her designated representative) within twenty (20) work days following the event giving rise to the grievance or within twenty (20) work days following the time when the employee reasonably should have gained knowledge of its occurrence. The President of the Lodge shall be permitted to sign and initiate a grievance on behalf of any aggrieved member of the bargaining unit who is named in the written grievance.

The grieving employee or Lodge shall submit two (2) hard-copies of the written grievance to the Police Chief (or his/her designated representative) who shall, upon receipt, date stamp both hard-copies of the written grievance and return one (1) copy to the employee or Lodge. The copy returned shall serve both as a receipt and as evidence should the issue of timely filing be raised. The grieving employee or Lodge may instead submit the written grievance electronically via email to the Police Chief (or his/her designated representative), who will acknowledge receipt in an email within five (5) work days. The email returned shall serve both as a receipt and evidence should the issue of timely filing be raised. If no acknowledgement email is returned, the grievance submission is presumed to be received as of the close of business on the 5th work day after the date of the email filing.

Within ten (10) work days after receipt of the written grievance, the Police Chief (or his/her designated representative) shall hold a meeting with the grieving employee. In the event that no resolution of the written grievance is reached during such meeting, the Police Chief (or his/her designated representative) shall issue a written answer to the written grievance within ten (10) work days of the meeting at Step I.

Upon the mutual agreement of County and the grieving employee, the Step I meeting may be waived. In such event, the Police Chief (or his/her designated representative) shall issue a written

answer to the written grievance within ten (10) work days of the mutual agreement to waive the Step I meeting.

The Step I written answer of the Police Chief (or his/her designated representative) shall contain the reasons for the Police Chief's decision and shall be sent by email to the grieving employee and to the Lodge President.

Step II

Written Grievance Appeal to Personnel Officer

If the grievance is not resolved at Step I, the employee or the President of the Lodge on behalf of a named grievant shall file a grievance appeal in writing with County's Personnel Officer, provided that such written grievance appeal is received by the County's Personnel Officer (or his/her designated representative) within ten (10) work days after receipt of the Step I written answer.

In the event an appealing employee is proceeding to Step II because no written answer was mailed within the time provided for a written response at Step I, the appealing employee shall file the written grievance appeal at Step II within twenty (20) work days from the date of the Step I meeting or within twenty (20) work days from the date of the mutual agreement to waive the Step I meeting.

The appealing employee shall submit two (2) hard-copies of the written grievance appeal to the County's Personnel Officer (or his/her designated representative) who shall, upon receipt, date stamp both copies of the written grievance appeal and return one (1) copy to the employee. The copy returned shall serve as both a receipt and as evidence should the issue of timely filing be raised. The grieving employee or Lodge may instead submit the written grievance appeal electronically via email to the County's Personnel Officer (or his/her designated representative), who will acknowledge receipt in an email within five (5) work days. The email returned shall serve both as a receipt and evidence should the issue of timely filing be raised. If no acknowledgement email is returned, the grievance submission is presumed to be received as of the close of business on the 5th work day after the date of the email filing.

Within ten (10) work days after receipt of the written grievance appeal, the County's Personnel Officer (or his/her designated representative) shall hold a meeting with the appealing employee. In the event that no resolution of the written grievance appeal is reached, during such meeting, the County's Personnel Officer (or his/her designated representative) shall issue a written answer to the written grievance appeal within fifteen (15) work days of the meeting at Step II.

Upon the mutual agreement of County and the appealing employee, the Step II meeting may be waived. In such event, the County's Personnel Officer (or his/her designated representative) shall issue a written answer to the written grievance appeal within ten (10) work days of the mutual agreement to waive the Step II meeting.

The Step II written answer of the County's Personnel Officer (or his/her designated representative) shall contain the reasons for the Personnel Officer's decision and shall be mailed by U.S. Certified Mail to the appealing employee's home address of record and sent by email to the Lodge President.

Step IIIA

Written Appeal to Personnel Board

If the grievance is not settled in Step II, the employee may file a written grievance appeal to the County's Personnel Board, provided that such written appeal is received by the County's Personnel Board within ten (10) work days after the appealing employee's receipt of the Step II written answer. The County's Personnel Board shall hold a hearing on the grievance within forty-five (45) calendar

days of receipt of such written appeal or as soon thereafter as possible. The County's Personnel Board shall render a final and binding decision on the grievance as soon as possible after such hearing. This Step III written answer of the Personnel Board shall be mailed by U.S. certified mail to the appealing party's address of record.

The Step IIIA written appeal must be signed with the original signature of the appealing employee or for appeals on behalf of more than one (1) affected employee, the original signature of an authorized Lodge official.

Step IIIB **Binding Arbitration**

If the grievance is not resolved at Step II, the employee or Lodge may proceed to binding arbitration in lieu of an appeal to the Personnel Board by complying with procedures currently set forth in §6-4-113 of the Anne Arundel County Code, providing notice to proceed to binding arbitration is received by the Personnel Officer within twenty (20) work days after receipt of County's Step II answer.

Each party shall bear its own expenses in these arbitration proceedings, except that they shall share equally the fee and other expenses of the impartial arbitrator in connection with the grievance submitted to him/her. Employees shall be granted leave with pay at their regular rate for scheduled work hours lost while appearing as a witness at the hearing under this Article, if such appearance is necessary.

Section 6.3 – Lodge Representatives

Lodge representatives appointed or elected by Lodge from among employees of County (in no case to exceed a ratio of one (1) representative per thirty (30) employees) shall be recognized by County for the purpose of presenting grievances under Section 6.2 of this Article; provided that nothing herein shall be deemed to deny to any individual employee the right to present grievances to County, without representation, and to have such grievances adjusted, as long as such adjustment is not inconsistent with the provisions of this Agreement.

County shall advise Lodge of the disposition of all grievances processed through Steps I, II, IIIA and IIIB of Section 6.2 of this Article.

Lodge shall immediately supply County with a roster of the representatives appointed under this Section and thereafter shall immediately notify County of any changes in such roster.

Representatives shall have the right to leave their jobs during working hours for the purpose of investigating alleged grievances arising under this Agreement involving the department, section or work area they represent and which require immediate attention or to attend scheduled grievance meetings, provided they first receive permission to be absent for this purpose from their immediate supervisor. Such permission shall not be unreasonably withheld by County; but it shall not be granted at times when it interferes with the efficient operation of County.

Lodge Representatives who are involuntarily transferred from one assignment to another shall, upon request, be furnished with the reason(s) for their transfer. Lodge Representatives who object to the reason(s) for their transfer shall be allowed to convey their concerns in writing through the chain of command to the Police Chief. The Police Chief shall respond in writing to any such objections that may be filed.

Section 6.4 – Time Limitations

No grievance shall be entertained or processed under the procedures set forth in Section 6.2 unless it is filed within the time limits set forth in Section 6.2. If a grievance is not appealed within the time limits for appeal set forth above, it shall be deemed settled on the basis of the last answer of County, provided that the parties may mutually agree to extend any time limits. If County fails to provide an answer within the time limits so provided, the employee with or without his/her Lodge representative may immediately appeal to the next step.

Section 6.5 – Written Presentation

Any written grievance presented under Section 6.2 of this Article shall include the exact nature of the grievance; the facts giving rise to the grievance; the specific provisions of this Agreement or of applicable law allegedly violated; and the desired corrective action. Grievances that are not completed according to this Section will be returned, along with oral or written direction with respect to the items that are not complete. The grievant will then be given five (5) work days in order to return a perfected grievance. Grievances that are not perfected and returned within five (5) work days shall be deemed to be withdrawn.

The County's written response at each step shall include the reason for any action taken, or any not taken, including but not limited to any allegations by the grievant, specific rules violated, and the supporting facts.

Section 6.6 – Grievance Meetings

Grievance meetings under Section 6.2 of this Article shall be held at times mutually agreeable to the parties; provided that, insofar as practicable, such meetings shall be held during scheduled work hours. The aggrieved employee, appropriate Lodge representatives and any other employee, who the parties mutually agree is necessary to the resolution of the grievance, shall suffer no loss of pay for scheduled work hours lost while attending such meetings.

Section 10.4 – Overtime Compensation

THIS SECTION APPLIES TO POLICE OFFICERS, POLICE OFFICERS FIRST CLASS, POLICE CORPORALS, POLICE SERGEANTS AND POLICE LIEUTENANTS

- (a) **Overtime.** When an employee is requested to work in excess of the employee's regularly-scheduled work day, the employee shall receive one and one-half (1.5) times his/her regular rate of pay for all hours actually worked in excess of his/her regularly-scheduled work day. Employees entitled to receive overtime under the Fair Labor Standards Act shall receive such overtime according to the Fair Labor Standards Act (FLSA).
- (b) **Overtime for Employees Assigned to the 12-Hour Shift.**
 - i. Employees who actually work 84 hours in a pay period will receive overtime pay for four (4) hours worked.
 - ii. Employees who actually work more than 80 hours but less than 84 hours in a pay period will receive overtime pay for those hours worked over 80 hours in the pay period.

- iii. Employees who work in excess of the employee's regularly-scheduled work day will receive overtime pay, pursuant to Section 10.4(a), or compensatory time, pursuant to Section 10.4(d), for all such hours worked.
 - iv. Employees shall not be charged any accrued leave for the first four hours of leave taken from the employee's individual work schedule per pay period.
- (c) **Overtime for Schedule Changes.** An employee shall be entitled to overtime when his/her individual work schedule is changed with less than seventy-two (72) hours of advance notice, except for changes effected in response to situations deemed by the Police Chief (or his/her designee) to be emergencies. In the event that an employee receives less than seventy-two (72) hours of advance notice under non-emergency circumstances, he/she shall be entitled to overtime for all hours falling outside of his/her individual work schedule with a guaranteed minimum of four (4) hours pay at the employee's regular rate.
- (d) **Compensatory Leave Credit.** Employees who so request may receive overtime in the form of compensatory leave credit at a rate of one and one-half (1.5) times all hours due under either Section 10.4(a) or Section 10.4(b) in lieu of a cash payment. Once requested, however, decisions as to whether an employee will receive overtime pay or compensatory leave credit shall be made by the employee's most immediate non-bargaining-unit Supervisor in the sole exercise of that Supervisor's discretion.

As provided by the FLSA, employees may accrue no more than four hundred and eighty (480) hours of compensatory leave credit (representing three hundred and twenty (320) hours of overtime work). Upon attaining a balance in excess of four hundred and eighty (480) hours of compensatory leave credit, an employee shall receive overtime pay for all additional overtime hours until his/her compensatory leave credit balance falls below four hundred and eighty (480) hours. During the term of this Agreement, employees may elect one of the following options: 1) a one time payout in cash, in the second pay period in each Fiscal Year (including the second pay period in July, 2007), of up to two hundred and forty (240) hours of unused accrued compensatory leave (with the balance of unused hours up to the 480 hour-limit rolling over); or 2) to roll over all unused accrued compensatory leave, up to the 480 hour-limit.

An employee who has accrued Compensatory Leave credit shall be permitted to use such Compensatory Leave credit within a reasonable period of making the request. A reasonable period is defined as at least seven (7) days in advance of the use of Compensatory Leave credit. Requests to use Compensatory Leave credit with at least seven (7) days notice will be granted up to one position below acceptable staffing levels. Requests made to use Compensatory Leave credit with notice of six (6) days or less may be denied at the discretion of the Police Department if it causes staffing levels to drop below acceptable staffing levels. The Extended Leave Selection Process as outlined in Department Index Code 701.A, Section IV(B), for the affected calendar year must have taken place before the short term use of Compensatory Leave credit as outlined herein.

- (e) **Compliance with Fair Labor Standards Act.** Unless otherwise addressed by this Article, County and Lodge retain all rights with respect to the payment or treatment of overtime pay and compensatory leave credits as authorized by the Fair Labor Standards Act.

Appendix IV

Deferred Retirement Option Program (DROP)

Policy Objectives: Retention of experienced public safety employees beyond normal retirement age; provide for the orderly entry into and out of the DROP plan.

The complete terms of the Deferred Retirement Option Plan (DROP) are set forth in Article 5, Title 1 of the County Code. This Appendix IV to the contract, which describes key features of the DROP, was drafted by the parties to be consistent with and is therefore to be interpreted in concert with the County Code as it existed on April 26, 2017.

Details of the Plan:

- ***Service Requirement:*** Twenty (20) years of actual service.
- ***Plan Participation:*** Three (3) years, with four (4) one year renewals - seven (7) years total.
- ***Entry Requirements:*** Enrollment is seniority based. New enrollment is limited to 20 new participants per calendar quarter up to a limit of 64 participants in each fiscal year.
- ***Early Exit Availability:*** A DROP participant may withdraw from participation at any time before the end of the initial DROP participation period. A DROP participant who elects to withdraw may remain employed by the County and is prohibited from participation in the DROP during the remainder of the participant's employment with the County. A participant whose participation ends prior to the end of the DROP participation period (first three years) because of a termination of employment, ineligibility to participate in the plan for any reason or an election to withdraw from the plan, forfeits any entitlement to the DROP benefit. An employee may also be responsible for repayment of any missed pension contributions plus interest. A DROP participant who terminates employment with the County after the first three year term of the DROP participation and before the completion of any additional one-year term, is entitled to a DROP benefit only for each fully completed year of DROP participation. Interest may not accrue on an account balance for any period of DROP participation that is less than a full year.
- ***Contributions:*** Employee – None; Employer – Valued as active employees for actuarial valuation and employer rate determinations.
- ***Employee Status:*** Full time merit employee; eligible for all pay and benefits; union rules; promotion; pay; discipline, etc. Participation in DROP does not guarantee employment; i.e., termination for disciplinary reasons could affect DROP account status.

- ***Computation of DROP Payment:*** Normal Retirement benefit based on first month following election. COLA is awarded July 1 as if retired. No future service or earnings used at actual retirement. Upon termination, pension payment, adjusted for COLA, will be paid on the first of each month to the retiree. Status then officially changes from employee to retiree.
- ***Earnings on DROP Balance:*** For participants who enter DROP after June 30, 2025, an interest rate which provides an effective annual yield of 5.0%. Interest does not accrue on an account balance for any period of DROP participation that is less than a full year. Interest is credited monthly and paid as of December 31 on the balance; pro-rated in first year and last year.
- ***Payment Options:*** Unless otherwise elected by a DROP participant, a lump sum payment shall be made in cash. If permitted by federal law at the time of the payment, payment may be made by transfer or direct rollover to an eligible retirement plan as defined in the Internal Revenue Code.
- ***Death Benefits Before Payout:*** Lump sum or rollover of account balance to IRA as of the date of death with interest to date of death. No annuity option. Paid in addition to other statutory death benefits as either employee or retiree.
- ***Death Benefits After Payout Begins:*** Lump sum or rollover of remaining account balance to IRA as of date of death with interest to date of death; continuation of payout to named beneficiary. Paid in addition to other statutory death benefits as either employee or retiree.
- ***Disability Retirement while in DROP:*** Retired on disability as if the employee never entered DROP. Amount of the benefit is reduced by any missed contributions not made during DROP participation. Full FAE (current earnings) used to compute payment. DROP account balance forfeited.
- ***Statements:*** Annual statements as of the year ending December 31.

Appendix V
Previous Disciplinary Procedures
(Superseded by the Maryland Police Accountability Act of 2021)

- (a) County shall not schedule any Trial Board proceedings sooner than thirty (30) calendar days after notification to or receipt by the accused employee of the formal charges and those materials that are required by Article 27, Section 728(b)(5)(III) of the Annotated Code of Maryland (i.e., the Law Enforcement Officers' Bill of Rights) or any successor provisions or amendments contained in such law.

On request, the same materials shall be provided to employees who have been offered summary punishment.

In either event, an employee must execute the confidentiality statement required by the Law Enforcement Officers' Bill of Rights.

- (b) Employees who stand accused of a disciplinary offense before a one (1) member Trial Board shall be allowed two (2) pre-emptory challenges to the member assigned to such Trial Board. However, such pre-emptory challenges must be exercised within twenty (20) calendar days after receipt of the initial notice of the Trial Board's member by the accused employee, provided that the name of any substitute Trial Board member is furnished to the accused employee within three (3) calendar days (excluding the holidays listed in §6-1-301 of the County Code) of the accused employee's most recent pre-emptory challenge.

With the exception of the chairperson of a Hearing Board who is appointed by the Chief of Police, all members of the Police Department designated to sit on a Departmental three (3) member hearing board shall be selected by rank from two blind random lottery drawings.

For accused employees of the rank of Officer, Police Officer First Class, and Corporal: One random pool shall consist of Police Officers, Police Officers First Class, and Police Corporals, and the other random pool shall consist of Police Sergeants.

For accused employees of the rank of Sergeant: One random pool shall consist of Police Sergeants, and the other random pool shall consist of Police Lieutenants.

For accused employees of the rank of Lieutenant: One random pool shall consist of Police Lieutenants, and the other random pool shall consist of Police Captains.

No person may be included in the process of selection who is: (a) involved in the investigation of the accused employee; (b) whose primary assignment is in the same district or physical facility as the accused; (c) currently under formal investigation for any matter; or (d) currently on probation. Persons who are still eligible after consideration of (a)-(d) and whose names are randomly drawn from a pool will be asked the questions listed below and will be stricken from further consideration if any answer is in the affirmative. The names of those police employees whose responses result in a strike will be made available to the accused officer and/or the FOP President or his/her designee upon request as soon as the final Board membership is completed. Persons drawn from the random pool will be asked:

- (i) Is the individual related to the officer in the situation?
- (ii) Is the individual related in any way to the situation itself?
- (iii) For good reason is the individual not available?
- (iv) Is there good reason that the individual feels he or she cannot be objective?

The accused employee and the Chief, or his/her designee, shall each be allowed three (3) pre-emptory challenges with regard to the random lottery draws in a case. In addition, the employee shall have no more than two (2) pre-emptory challenges to use to strike an appointed chairperson of the Hearing Board. Pre-emptory challenges as provided in this paragraph must be exercised within five (5) calendar days after receipt by the accused employee and his/her legal representative of the initial notice of the Hearing Board. The first pre-emptory challenge will be made by the accused employee, followed by the Chief, or his/her designee, and continue in an alternating manner until the process is complete. The accused officer and the Chief, or his/her designee, will each have two (2) business days (excluding the holidays listed in §6-1-301 of the County Code) to decide on the next pre-emptory challenge after receipt by the accused employee and his/her legal representative of the revised Hearing Board membership.

- (c) Emergency suspension with or without pay may be imposed by the Police Department when it appears that the action is in the best interest of the public and the Police Department. Any Police Officer arrested and charged with a criminal offense, a serious traffic violation involving death or serious personal injury, and/or an act alleged or committed by such officer of such a nature that in the judgment of the appropriate superior officer, the interest and welfare of the public, the department, or the individual is best served by such action, such officer shall be immediately suspended from duty with pay. When an officer is charged with a criminal offense, said charge(s) shall be supported at least in part by the investigative findings of another law enforcement officer. Any employee suspended from duty with pay shall be given a suspension hearing promptly following the suspension from duty wherein a determination will be made at that time whether or not the member shall remain suspended with or without pay and/or placed on administrative duties. Suspension without pay may only be imposed in accordance with this Section and only in the case of an officer charged with a felony.
- (d) An employee shall have the option to pay an equivalent fine in lieu of suspension, provided the employee waives any applicable limitations as set forth in Article 27, Sections 727-734d, inclusive, of the Annotated Code of Maryland (i.e., the Law Enforcement Officers' Bill of Rights).
- (e) An employee who has been notified of a disciplinary investigation by the Internal Affairs Unit shall, upon request, be furnished with the status of such disciplinary investigation.
- (f) An employee who has been notified of a disciplinary investigation by the Internal Affairs Unit shall, upon request, be advised of the disposition of such investigation within ten (10) calendar days of the final decision of the Chief of Police. Employees who are on approved leave (as provided in Article 11 of this Agreement) shall be notified of such disposition by letter to their home address of record.

- (g) A Departmental hearing shall not be held for any employee who is charged with conduct that is also the subject of a criminal proceeding until such time as the criminal charges are settled prior to any appeal other than an appeal de novo to a Maryland Circuit Court. This sub-section does not apply to Departmental hearings regarding suspensions (with or without pay).
- (h) Any employee who is the subject of an investigation for any reason and is not chosen for promotion solely because of said pending investigation shall be considered for promotion for the next available vacancy, providing that said employee is acquitted of all charges.
- (i) If an officer is afforded the opportunity to waive his or her rights to a disciplinary hearing board under the Law Enforcement Officers' Bill of Rights and have the Chief issue punishment in lieu of said proceeding, then in that event, the Chief's authority shall be limited to the imposition of a maximum penalty of a ninety (90) day suspension without pay.
