A message from the Director

Let's Fall into Fun!

As the warmth of summer gives way to the crisp, colorful days of autumn, Anne Arundel County truly comes alive. At the Department of Recreation and Parks, our guiding philosophy remains unchanged: "We make life better!" Every day, our team is dedicated to providing meaningful opportunities for our community to Enjoy Life, Explore Nature, and Restore Health and Well-being.

This autumn, we are proud to offer a dynamic lineup of seasonal activities designed to keep you active, connected, and inspired. You can look forward to the return of annual favorites like the Lifeline 100 bike rides, Art @ the Park at Quiet Waters, and our family-friendly Halloween events. For those looking to explore our natural spaces, we have guided trail hikes, park ranger campfire chats, and scenic kayak paddles along the county's waterways. From exceptional state-licensed child care and adaptive recreation to youth theater, sports leagues, and top-tier aquatic fitness classes, we continue to ensure our high-quality programs are inclusive and accessible to residents of all ages and abilities.

I invite you to explore this guide, find a new passion, and join us to make the most of this beautiful season.

Performance-Focused Classes for Ages 4-18!

Broadway Kids (Ages 4-7)

Join us for an introductory Musical Theatre workshop designed for our youngest performers! This program will culminate in a 30-40 minute onstage production. Each week, we will focus on building confidence onstage using scripts and songs specifically chosen to help your little star shine their brightest. Please register for only one class, as all participants will perform together in December.

Homeschool (Ages 5-16) & Beginner/Novice (Ages 7-14)

Whether your student is new to theatre or already familiar with it, this class aims to enhance their skills. We will help them develop and refine their theatrical abilities, culminating in a 30-60 minute onstage performance that highlights their growth and talent.

Intermediate (Ages 10-18*)

Students at this level should have at least 3 years of experience singing and dancing onstage and in formal rehearsal settings. We will continue building on existing performance skills throughout the session, culminating in a 45-75 minute onstage performance.

This is a focused training level where students are expected to arrive prepared, stay engaged, and consistently practice material outside of class. Regular at-home review will be essential to keep pace as choreography, music, and staging are developed quickly each week.

Intermediate/Advanced (Ages 12-18*)

Students in this class should be well-versed in musical theatre techniques, have four to five years of experience, and exude confidence onstage. During twice-weekly rehearsals, students will work with our director, music director, and choreographer to produce a two-act musical featuring advanced harmonies, choreography, and acting work.

This is a high-commitment class with an accelerated pace. Students are expected to be self-motivated, fully prepared for rehearsals, and consistent in practicing material outside of class in order to keep up with the demands of the production. Without regular preparation, students will quickly fall behind as material builds each week.

**New students entering Intermediate or Advanced level classes may be asked to submit additional materials prior to auditions to verify readiness and ensure a successful experience for each performer.*

All students must be fully registered prior to auditions and the first class date. Placement auditions and a mandatory parent meeting will take place on the first class date, and attendance is required for all participants. Please do not register if you are unable to attend all required dates and times.

Registration guarantees a role in the production; however, auditions are used to determine individual casting and role assignments. Approximately one week before classes begin, families will receive an email with class information and an audition packet with materials to prepare in advance.

With the exception of Broadway Kids, students may not be called for the full duration of each rehearsal session. Every student is guaranteed a minimum of one hour of instruction per meeting date.

Registration includes a \$77 non-refundable production fee.
