

# Creative Ways to Use Your FSA

Your FSA can do more than you think.  
Put your pre-tax healthcare dollars to work on eligible expenses that help you feel your best.

---

## *Shop Care Covered*

Stock up on hundreds of FSA/HSA-eligible health and wellness essentials, from first aid and pain relief to skincare, family care, and more. Products are already vetted for eligibility so that you can shop with complete confidence.

Scan the QR code to  
shop Care Covered.

---

## *Save on Eligible GLP-1 Medications*

Your FSA can help cover eligible GLP-1 medications prescribed to treat or manage a medical condition, helping you reduce high out-of-pocket costs with pre-tax dollars.

**Keep in mind:** A Letter of Medical Necessity (LMN) from your healthcare provider may be required for reimbursement.
