2026-08-07 9:55:54	Millie	Johnson	Brooklyn	MD	21225	Yes		Bill No. 58-26: AN ORDINANCE concerning: Legislative Branch – Compensation	Oppose	I believe that people should be compensated on a regular basis and within limits. I'm compensated every year a dollar or two. Let's get real. I watch people on the back Door app who are struggling with her BGE bills and not just that facing eviction. I am not but I've been a single parent and I have struggled with bills. People helped me through that. Even recently my BGE bill went up 200 more dollars than I used to. My homeowners insurance keeps climbing, taxes keep climbing. I make choices at the food store so because I can't afford the high cost of meat. Wake up our county needs you our city needs you ! What's so amazing on social media I don't see any families of county council members complaining about food prices. I am so against increases for the county council members.

2026-09-08 10:58:39	Courtney	Payne-Dillard	Brooklyn	Maryland	21225	Yes		BILL NO. 61-26 – AN ORDINANCE concerning: Public Safety – Zoning – Article 18 Update	Oppose	I am a District 1 resident in Old Brooklyn Park. I respectfully ask you to sponsor amendments to Bill 61-26 that would allow a responsibly maintained flock of four hens on a single-family lot containing at least 6,250 square feet. Rather than a near-total prohibition based on a relatively small lot-area difference. As introduced, Bill 61-26 carries forward the existing chicken schedule. Bill 61-26, as introduced, does not make the chicken rules more permissive. These zoning regulations continue to disenfranchise the very specific historic neighborhoods of Old Brooklyn Park. Anne Arundel County's own 2025 needs assessment identifies Brooklyn Park and ZIP Code 21225 among the county's food-desert areas. gives residents in older, modest-lot communities a lawful way to maintain a small source of household food A responsible four-hen flock can contribute to household food resilience. I recognize the county has generously ushered in a revival and reversal of the fowl restrictions with Bill 79-13-legally re-allowed residential backyard chickens and Bill 25-25- further eased restrictions by completely removing the heavy licensing and inspection fees.	https://www.aacounty.org/system/files/webform/cc_legislative_testimony/105693/bill-61-26-courtney-p-dillard-brooklyn-park.pdf

2026-09-08 7:03:13	Peter	Anderson	Millersville	Maryland	21108	Yes		BILL NO. 62-26 – AN EMERGENCY ORDINANCE concerning: Zoning – Conditional Use Requirements – Licensed Dispensaries of Cannabis	Support	I support this bill. Anne Arundel County is in need of defined setbacks for cannabis dispensaries to protect our children. This affects our quality of life in Anne Arundel County as the majority of its citizens do not want dispensaries near schools, churches, parks, and other public places.	
Resolution No. 26-26											
2026-09-03 12:53:12	Debi	Jasen	Pasadena	Maryland	21122	Yes		Resolution No. 26-26 – RESOLUTION condemning Patriot Front and its activities as a white nationalist organization	Support	Thank you to Councilperson Lisa Rodvien for introducing Resolution No. 26-26. All groups that exist to promote bigotry should be condemned. Patriot Front is known to be active in Maryland. They also recruit white teens online and in youth clubs. We all know that there are many in the federal government who promote white nationalism. What many don't realize is that it comes from some state government representatives as well. One of the worst is a delegate in our own county. I support Resolution 26-26, and hope that everyone on the County Council will speak up in favor of it AND mean what they say. The fact that advocating for human rights and dignity are even a political question shows how much we're failing as a society.	
2026-09-04 8:38:42	Allison	Turner	Annapolis	MD	21409	Yes		Resolution No. 26-26 – RESOLUTION condemning Patriot Front and its activities as a white nationalist organization	Support	I've been a contributing member of the Southern Poverty Law Center (SPLC) since the early 1990's. I've been watching the influence and spread of white nationalism throughout our country. The Patriot Front is a divisive group seeking to remove the diversity within our communities. They have been labeled a hate group for legitimate and accurate reasons. I support this resolution condemning this group and their actions.

2026-09-07 16:21:45	Rebecca	Forte	Severna Park	MD	21146	Yes		Resolution No. 26-26 – RESOLUTION condemning Patriot Front and its activities as a white nationalist organization	Support	I ask you to support Resolution 26-26 and to condemn Patriot Front and all hate groups driven by racism, white supremacy, xenophobia, and all other forms of intolerance and bigotry. I ask you to reassert to residents that Anne Arundel County does not tolerate hate or hate crimes, and reaffirms its dedication to pursue and advocate for policies now and in the future to ensure safety as well as civil and human rights for all of Anne Arundel County's diverse community. Our county needs to stand strong and unwavering in this time. Thank you.	
2026-09-07 17:05:27	Regina	Cornelius	Severna Park	MD	21146	Yes		Resolution No. 26-26 – RESOLUTION condemning Patriot Front and its activities as a white nationalist organization	Support	I support the legislation put forth by the NAACP because groups like Patriot Front are actively eroding civil society with their discriminatory and racist behaviors. I believe in free speech but Patriot Front uses tactics to intimidate and “ other” non white citizens. There is no benefit gained by allowing these far right racist individuals access to Anne Arundel county citizens. Please support this legislation and consider barring Patriot Front and other hate mongers from spewing their disgusting rhetoric in Anne Arundel County. Thank you for your service to Anne Arundel County as members of the County Council. I see a group of dedicated public servants trying their best to make our communities welcoming places to live. It is not an easy task yet none of you have given up! Kudos!!	
2026-09-07 19:20:11	Abbie	Ellicott	Severna Park	MD	21146	Yes		Resolution No. 26-26 – RESOLUTION condemning Patriot Front and its activities as a white nationalist organization	Support	The Patriot Front is a dangerous organization that promotes violence, racism and white supremacy. Anne Arundel County needs to pass this resolution to raise awareness about the dangers of white nationalism and to promote a more inclusive society. Please support this resolution and show that Anne Arundel County takes the strongest possible stance against hate in all forms. Thank you.	
2026-09-07 22:22:26	Rahama	Wright	Gambrills	Maryland	21054	Yes		Resolution No. 26-26 – RESOLUTION condemning Patriot Front and its activities as a white nationalist organization	Support	Greetings Council Chair and members of the Anne Arundel County Council, I strongly support Councilwoman Lisa Rodvien’s Resolution 26-26 condemning Patriot Front and its activities as a white nationalist organization. As a business owner, mother, and someone who has spent my career working to expand equality and inclusion, I believe we must be clear about the kind of community we want to live in. White nationalism is not simply a difference of political opinion. Ideologies rooted in racial superiority, intimidation, and exclusion threaten the safety and belonging of our neighbors and undermine the values that allow diverse communities to thrive. Condemning hate does not restrict anyone’s right to free speech. It exercises our own right, and our responsibility to say clearly that racism, antisemitism, xenophobia, and political intimidation have no place in Anne Arundel County. Our children are watching what we tolerate and what we challenge. Our neighbors need to know that when hate appears in our communities, their elected leaders will not remain silent. I thank Councilwoman Rodvien for introducing this resolution and urge every member of the County Council to vote in favor of Resolution 26-26. Silence can allow hate to grow. Anne Arundel County should speak with one clear voice: hate has no home here. Sincerely, Rahama Wright

2026-09-07 22:27:37	Jane	Beard	Churchton	MD	20733	Yes		Resolution No. 26-26 – RESOLUTION condemning Patriot Front and its activities as a white nationalist organization	Support	There can be no quarter given a racist group like the Patriot Front in our State. We are a plural society. To allow them is an affront to all, but especially those who are not Caucasian. I am white skinned and it makes me beyond sick to think we might, even by omission , give this group room to operate in MD. I support this resolution	
2026-09-08 0:33:01	Anna	Britton	Severna Park	MD	21146	Yes		Resolution No. 26-26 – RESOLUTION condemning Patriot Front and its activities as a white nationalist organization	Support	I support the resolution to condemn the white nationalist organization, Patriot Front. Their ideology is abhorrent and dangerous and it permeates the atrocities we are seeing from our federal government as well as emboldened private citizens. We must make an unequivocal statement condemning this hateful ideology because it is literally the least we can do as we hear of more cases of our black brothers and sisters found hanging from trees or see our immigrant neighbors locked up in ICE detention centers while they sleep on floors soaked with feces and are fed maggot-infested food, or sent back to countries where they fear for their life or to countries to which they have no connection and face indefinite detention for no crime. We have seen the voting rights act stripped bare, transgender soldiers forcibly separated from the military for nothing more than their identity, and an attempt to give \$1.76 billion to the white supremacists that led a violent attempted coup. So many of our neighbors are living in fear. Families are in hiding. History is being erased. People are being disappeared. These things would not be happening if we truly valued the humanity and dignity of all people or if the hateful ideology that motivates the people behind them had been sufficiently condemned. These events are not some kind of aberration. They are a direct result of the racist ideology that has been accepted in our country since its founding and I say no more. Passing this resolution should be an easy choice. Hateful, racist, violent ideology is not welcome in Anne Arundel County. I want my community to be a refuge for people of all colors, nationalities, gender expressions and sexual orientations.	
2026-09-08 8:41:04	Julie	Garver	ANNAPOLIS	MD	21403-2809	Yes		Resolution No. 26-26 – RESOLUTION condemning Patriot Front and its activities as a white nationalist organization	Support	I'm writing in strong support of Resolution No. 26-26 condemning Patriot Front and its activities as a white nationalist organization. What this group did on July 4th — marching through the nation's capital in masks, carrying Confederate and upside-down American flags on the very day meant to celebrate our shared democracy — wasn't protest or free expression in any meaningful sense. It was intimidation, plain and simple. It was an attempt to make people feel unwelcome and unsafe in their own country because of who they are. Anne Arundel County is home to a genuinely diverse population, and that diversity is a strength, not a threat. The ideology Patriot Front promotes — a white ethno-state built on excluding people based on race and origin — is backward, offensive, and has no place here. History has shown, again and again, where these ideas lead when left unchallenged: to violence against minority communities. Silence in the face of hate isn't neutrality — it's permission. I urge the Council to pass this resolution and send a clear, unambiguous message that Anne Arundel County rejects white supremacy and stands firmly with every resident, regardless of race, religion, or background.	
2026-09-08 8:50:20	Rebecca	Benzer	Gambrills	MD	21054	Yes		Resolution No. 26-26 – RESOLUTION condemning Patriot Front and its activities as a white nationalist organization	Support	The county council should unequivocally, unanimously, condemn the white supremacist Patriot Front as a domestic terror organization. They are violent, racist, and antisemitic. https://www.usatoday.com/story/news/nation/2026/06/03/exclusive-patriot-front-leaked-documents/90351663007/

2026-09-08 9:41:00	Emily	Clement	Severna Park	MD	21146	Yes		Resolution No. 26-26 – RESOLUTION condemning Patriot Front and its activities as a white nationalist organization	Support	I am encouraging the condemnation of the behavior of the Patriot Front, a white supremacist organization. On July 4th, the Patriot Front marched through Washington D.C. in masks, chanting and attempting to intimidate non-whites and many people who were out and about for the holiday weekend. Everyone should condemn the intimidation tactics of the white supremacist group.	
2026-09-08 10:19:50	Jessica	MacBride	Severna Park	MD	21146	Yes		Resolution No. 26-26 – RESOLUTION condemning Patriot Front and its activities as a white nationalist organization	Support	In a county whose motto is "The Best Place - For All" there should be no tolerance for the Patriot Front, a hate group built on racism, white supremacy and xenophobia. Anne Arundel County should be a welcoming place for all of its diverse people.
