Vote Needed

- **ProduceRx** - we received half of the funding requested - $250,000 of the $500,000

BUT

- We budgeted $223,000 for the Mobile Food and Book Van in our ENOUGH year two funding. The library and the Partnership identified insurmountable barriers to creating the program. That money now becomes available with the Leadership Teams permission

- Funding would be directed to:
  - ProduceRx: $125,000 in matching funds for the first year
  - Remaining funding would fund the AAC Food Bank for mobile pantries in Brooklyn Park at sites like mobile home parks
